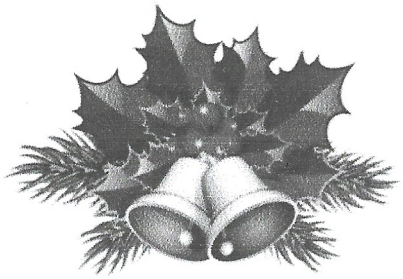
THE BENSINGTON SOCIETY QUIZ



Benson Christmas Quiz

Sponsored by The Bensington Society

It's good to get out and enjoy some fresh air, socially distanced of course. This competition will get you following the Benson Heritage Trail around the village, looking out for sites as you go and matching trail points with photos. In the Village centre, match Christmas decorations with shops and businesses. Full instructions are given on each of the quizzes' four pages.

The full Heritage Trail leaflet (which gives information about each of the numbered points on the trail) is available free of charge in Derry's Den and the Library, when open. A copy can also be downloaded from the Bensington Society website www.bensington-society.com and it can also be viewed on the Bensington Society noticeboard at Bob's Corner next door to Lloyds Chemist.

Various books (published by the Bensington Society) about the History of Benson are available to purchase from Derry's Den and also to borrow from the Library, when open. For further details see page 50 of this Benson Bulletin.

Entry to the quiz is free and it may be completed by individuals or as a family.

When you have completed the Quiz, add your name and contact details below, and drop your entry (these pages) to Derry's Den (through the letterbox if closed),or to the Box on the gate of 11a Castle Square (next to the Roundhouse) before Monday 5th January 2021.

Prize winners will be drawn from all correct entries received by 5th January.

We would like to give a big `Thank You' to the Village shops and businesses who have so kindly donated such generous prizes - from hampers and meals out, to vouchers for use in our local shops.

Name .....

Contact details .....

(email or phone number)

(GDPR - names and contact information is gathered solely to determine and notify winners, information will not be used for any other purpose, and all entries will be destroyed 4 weeks after prizes are drawn)

Good luck, Seasons Greetings and thank you for taking part.

Please support our Village businesses as they keep our High Street thriving.
